

WESTERN OUTING ANNOUNCEMENT

MTFF's Western Outing this year will be a return to Yellowstone Anglers' Basecamp outside of Cody, Wyoming from September 1 -7. MTFF visited this location in August 2022, but unusual weather limited our fishing opportunities. Yellowstone Angler's Base Camp is located at Camp Buffalo Bill, a Boy Scout Camp along the banks of the North Fork of the Shoshone River, just 8 miles east of the eastern entrance to Yellowstone National Park and 45 miles west of Cody, Wyoming. This location provides an opportunity for us to experience some of the best fly fishing in the world at a very affordable price.

The cost is \$985 for the week. It includes three full meals a day prepared by the onsite chef along with snacks and fruit to keep you energized throughout your days on the waters. We will lodge in cabins, have use of the bathhouse and other facilities, and take meals in the main lodge. Transportation to and from the airport and daily travel to fishing destinations of your choice is provided.

Best amenity of all, are the world class waters we will be spending our week fly fishing in and exploring. They include the North Fork of the Shoshone River which bounds the camp and its tributaries, an on-site pond, all of the Yellowstone National Park fisheries (Yellowstone River, Firehole River, Lamar River, Slough Creek, Gardner River), the Shoshone River in Cody, the Bighorn River, the Snake River, and the Clarks Fork of Yellowstone River.

Please go to their website <https://www.anglersbasecamp.org/> to learn more and register. Remember it is September 1 - 7. We will be in touch with airline travel arrangement options.
